Section 10. Membership Discipline

- A. General Intent: This section shall govern the conditions and procedures by which members may be disciplined.
- B. Grounds for Discipline: This section shall not apply to situations where a member is delinquent or in arrears in the payment of financial obligations. The following may constitute grounds for member disciplinary action:
 - 1) Disorderly conduct, immoral or lewd behavior on Club premises, while participating at Club or inter-club functions, or while representing the Club,
 - 2) Inappropriate communications to the Club,
 - 3) Theft or embezzlement of monies or property belonging to the Club,
 - 4) Assault and/or battery committed while on the Club's premises against any person,
 - 5) Failure to fulfill a payment as compensation for damages, or
 - 6) Conviction of a member of a felony.
- C. Initial Procedure for Imposing Discipline: When a Director or Officer of the Club is informed or becomes aware that a member may have engaged in an action that constitutes grounds for discipline, the matter shall be promptly placed before the Board at its next Regular Meeting. The Commodore shall close to non-Board members that portion of the meeting pertaining to an allegation of conduct by a member that could warrant discipline. If the Board, by two-thirds (2/3) vote of the Directors present at the Closed Session, vote in favor of pursuing a disciplinary proceeding against a member, then the member shall be notified via certified mail, return receipt requested, that he or she must attend the next Board meeting at which the Disciplinary Hearing shall occur.
- D. Disciplinary Hearing: A Disciplinary Hearing shall be held during a Closed Session of the Board. The member against whom the disciplinary complaint and proceeding has been initiated shall be present in person, but shall not be entitled to representation by any agent or other person (other than a family member). The Board shall review the allegations of misconduct satisfying the grounds set forth and the member may (but is not required to) address the Board. Upon a motion duly made and seconded, the Board shall then vote determining if the member did or did not engage in action or conduct that satisfies the grounds for discipline. If there is a two-thirds (2/3) finding that the member did engage in conduct that satisfies the grounds for discipline, then the Board shall, by simple majority, vote a penalty.
- E. Penalties: The Board may impose any or a combination of the following penalties and a timeframe for compliance:

 - 4) The member may be suspended for a period of time, following which the member may seek reinstatement,
 - 5) The member may be expelled from the Club.
 - 6) The foregoing may be applied to some or all of a family membership.
 - 7) Failure to satisfy any and all penalties imposed may be grounds for expulsion.

- F. Appeal to Membership: A member against whom disciplinary action has been imposed may appeal the Board's penalty(ies) to the membership at a Special Meeting. In order to perfect an appeal, the member shall obtain a written petition with verified signatures of not less than thirty (30) Active Members. Once the Secretary has verified that a valid petition has been submitted, then a Special Meeting of the members shall be called by the Commodore or Board. The member being disciplined shall have his/her membership suspended and the penalty(ies) shall be stayed until the determination of the membership is made at the Special Meeting. The sole agenda item at that Special Meeting shall be the matter of the member's discipline. At the Special Meeting, the members present in person - with no proxies permitted - shall constitute a quorum. The meeting shall be limited to whether the penalty(ies) imposed by the Board were fairly warranted. If the members present do not, by a two-thirds (2/3) vote, overturn the Board's imposed penalty(ies), then the disciplinary action shall be final and the penalty(ies) shall follow forthwith. If the members present do, by a two-thirds (2/3) vote, overturn the Board's imposed penalty(ies), then the penalty(ies) shall be withdrawn.
- G. Mandatory Procedures: The foregoing procedures shall be mandatory in all instances. Failure to satisfy the penalty(ies) as imposed shall result in immediate termination of membership. Failure to follow the provisions of this section shall constitute a failure to exhaust the Club's internal remedies.

A late payment charge of \$25 per month or portion thereof shall be assessed for any payment not received by the due date. Any payments received which do not include the assessed late payment charge(s) shall not be applied to the member's obligation. If payments, including assessed late charges, remain unpaid after two (2) months from the due date, a written notice shall be sent notifying the member that their membership may be terminated and that they may no longer be entitled to the rights and privileges of Club membership. Termination of membership because of non-payment of dues after the two (2)-month late period shall be decided by majority vote of the Board without appeal to the membership.

Section 6. Special Assessments

Special Assessments may be proposed by any Active Member of the Club or by the Board at any meeting of the Board. Such proposals shall clearly state the purpose of the funds sought, the amount of the funding, and the schedule of member billing(s). If the proposal is approved by the Board, the proposal shall be presented to the membership. Failure by a member to pay a special assessment when due shall be considered in the same manner as failure to pay dues.

Section 7. Member Responsibility for Damage

Members shall be directly responsible to the Club for all costs and expenses incurred in connection with any damage done to the property of the Club by the member, their family, or their guests to an extent and an amount determined by the Board. A member held to be responsible will be notified of their responsibility and amount of reimbursement in writing, sent to the member via certified mail, return receipt requested. The member shall pay the reimbursement amount within thirty (30) days of receipt of such notice. Failure to pay the reimbursement amount when due may result in further member discipline and may be grounds for termination of membership by a simple majority vote of the Board subject to membership appeal as defined in the Membership Discipline section of these bylaws.
